

[www.vpt-inc.com](http://www.vpt-inc.com)

- Military & Avionics DC/DC converters
- Hi-Rel COTS converters
- EMI Filters & Accessories
- HERO power systems for low voltage application
- Mil-STD-1275
- Space DC/DC converters
- Turn Key Solutions
- Mil-STD-704

Manufacturing, Distribution, Value added, Custom

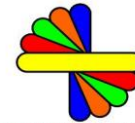

[www.tracopower.com](http://www.tracopower.com)

- DC/DC Converters (1W to 22kW)
- AC/DC Converters (Encapsulated, Open frame, Metal case, Waterproof)
- DIN-RAIL Power Supplies (General purpose, High performance, Low profile. From 15W to 1500W)
- DC/AC Inverters (Sine Wave Inverters 20VA to 30kVA)

DISTRIBUTION FOR:

[www.lcs-lcd.com](http://www.lcs-lcd.com)

- LCD modules and integrated flat panel display systems
- TFT
- STN Graphics / STN Character
- Sunlight Readable
- CSTN
- Custom
- Digital Signage

[www.vetronicsresearch.com](http://www.vetronicsresearch.com)

- Designer and manufacturer of rugged electronics
- development of complete integrated power distribution and data control architectures
- Power sequencing
- Remote data acquisition & control
- Programmable load control modules (PLCMs)
- Solid state power control modules (SSPCs)
- Data and signal processing

[www.frederickscom.com](http://www.frederickscom.com)

- Tilt Sensors & Electronics
- Vacuum Measurement & Control
- Customer Capabilities
- TrueTILT™ metal & glass, single and dual axis, electrolytic tilt sensors, inclinometers, inclination sensors signal conditioning electronics, packaged tilt sensing assemblies, tilt switches, and on/off switches

[www.crlsensors.com](http://www.crlsensors.com)

- Dynamic Pressure Sensors
- Force Balance Accelerometers
- L.V.D.T. Products
- Portable Vibration Meters
- Strain Sensors
- Fiber Optic Pressure Seals
- Force Balance Inclinometers
- Piezoelectric Accelerometers
- Signal Conditioning Instrumentation
- Vibration/Temperature Transmitters

[www.rugged.com](http://www.rugged.com)

- Rugged computer systems
- VME, VPX, and CompactPCI for defense and space applications
- COTS, radiation tolerant and MIL-SPEC solutions
- VMEbus and CompactPCI boards, enclosures and sub-systems
- Hardware system integration
- Defense Products
- Rugged Enclosures
- Value Added Services
- Space Products
- Subsystem Integration
